*Thank you for contacting the Youngstown/Warren Regional Chamber for your relocation information.*

*Our Chamber services the businesses and economic development and growth of Trumbull, Mahoning and parts of Columbiana Counties in the State of Ohio. We have enclosed information on those areas for your consideration.*

*In addition to the brochure packet information we have added the following information for your convenience:*

## ***Vehicle and Driver's License information***

- When:** You must become an official Ohio driver as soon as possible after becoming a resident. Ohio considers 30 days the maximum time limit to convert an out-of-state license. If you have a valid, unexpired license, you can obtain an Ohio license with only a vision, written law and sign test. For more information, check [www.ohiobmvc.com](http://www.ohiobmvc.com)
- Title:** You must go to the county's auto title office to transfer your title to Ohio. Find the location in the county government section of your Youngstown phone book, under **Clerk of Courts, Auto Title Department.**
- License Plates and Driver's License:** After transferring your title, you can go to the Deputy Registrar License Agency to obtain your new license plates and driver's license. For the nearest location, call 1-800-589-TAGS or look in the yellow pages under License Agencies.
