Any of these can be confidentially toured at your request.

INCENTIVES & FINANCING

New and existing firms can benefit from incentive programs designed to impact your bottom line. We will explain, qualify and help you secure...

Tax Incentives, such as:

- Tax elimination and relief via Ohio's new tax code, which abolishes taxes on inventory, machinery and equipment, lowers personal income tax rates and imposes no tax on sales made outside of Ohio.
- Real property tax abatements for new facilities and/or building improvements.
- Credits for:
 - Job creation, retention and training
 - Making investments in technology/research and development
- Sales tax relief for purchases of:
 - Manufacturing machinery and equipment
 - Warehouse machinery and equipment
 - Research and development equipment

Grant/Funding Assistance for:

- Employee training
- Public infrastructure improvements

Low-Interest Financing for investments in:

- Land
- Building construction/renovation
- Machinery, equipment, furniture and/or fixtures
- Research and development projects

MANUFACTURING TECHNICAL ASSISTANCE

Through our partnership with MAGNET*, we can help you with:

- Product innovation and development
- Process improvement
- Lean manufacturing techniques

Since 1984, MAGNET has assisted more than 2,000 manufacturers. In fact, its initiatives have generated over \$1 billion in economic impact for the region through operational cost savings, increased sales, enhanced productivity and jobs retained or created.

**MAGNET is Northeast Ohio's Manufacturing Advocacy & Growth Network.*

INTERNATIONAL TRADE

Enter or enhance your competitive position in the global marketplace through our collaboration with NEOTEC's** International Trade Assistance Center (ITAC) and its State/Federal/World Trade Center partners. We can help you:

- Increase international sales and/or sourcing opportunities
- Utilize Foreign Trade Zones
- Obtain country trade profiles
- Develop export compliance and international trade plans
- Obtain international shipment documentation
- Identify international logistics carriers
- Provide certification of origins for regional companies
- Conduct and interpret foreign market research that is tailored to your needs

***NEOTEC is the Northeast Ohio Trade and Economic Consortium.*
