

WE WILL EMERGE

#VALLEYTOGETHER

safely.

We care about the residents, workers and guests of our community. Our pledge is a shared commitment to take necessary precautions for all of us to stay safe while following recommended public health guidelines.

BY PLEDGING TO EMERGE SAFELY, MY BUSINESS COMMITS TO:

Requiring protective gear, such as face coverings, for employees and outlining expectations and recommendations for clients/customers.

Conducting daily health assessments, by employers and employees (self-evaluation) to determine if “fit for duty.”

Maintaining good hygiene at all times through hand washing, sanitizing and social distancing.

Cleaning and sanitizing workplaces throughout the day and at the close of business or between shifts.

Limiting capacity to adhere to **social distancing** guidelines.
